Dr. H. V. Hande rose.

Mr. DEPUTY SPEAKER : There can be no discussion on this.

Dr. H. V. HANDE : After boycotting the Assembly, the next day we came here and the Deputy Speaker gave the assurance that the Opposition would be treated with respect. Our grievance is we are not treated so. This Rule 82 statement had now come. I had given an adjournment motion on this subject and normally that should have been taken up first. It should have been given first preference. But this Rule 82 statement had come first. That is one of the reasons we in the Opposition feel dissatisfied. I had given an adjournment motion on this particular issue under Rule 42 and we would have talked on all these cyclone and connected relief measures that had to be given. I had given the adjournment motion to your Assembly Department. But no action has been taken on that. It has not come up first. That is my anxiety. Whenever we want to raise any issue......

Mr. DEPUTY SPEAKER : So far, I have not received any adjournment motion.

Dr. H. V. HANDE : Please ask your department.

Mr. DEPUTY SPEAKER : I will verify.

(ஆ) பேரவைத் துணைத் தலைவர் மீது கொடுக்கப்பட்டிருக்கும் தீர்மானம் குறித்து.

Dr. H. V. HANDE : I would also like to know one more thing. Now there is a no-confidence motion against the Deputy Speaker and I would like to know when it will be taken up because last time when there was a no-confidence motion against the Speaker, the House was in a tremendous hurry to dispose it. So, when it will be taken up, I would like to know.

The Hon. Thiru K. ANBAZHAGAN : Under our rules, only after 14 days notice, this could be taken up. This was given notice of only yesterday, I think. It will have to wait for another 13 days.
